Eastern Time

Official ASN
Kidney Week
Early Program
Registration opens
August 5th - 10am

asn-online.org/KidneyWeek

Submit Abstracts at
earlycareerkidney.org

Call for Forum Abstracts

Deadline: August 11th, 2020, 23:59 ET

The third annual forum provides a venue to communicate new findings in kidney physiology and disease and provides networking opportunities and mentoring for trainees and junior investigators.

We are accepting abstracts from trainees and early stage investigators for short communications on Basic and Translational Science

Abstracts submitted/accepted for ASN Kidney Week 2020 may be submitted to this forum. Preliminary data welcome as this is an interactive forum to get feedback on research in progress.

Abstracts accepted for the Basic Research Forum are separate from, and will not be included in, the Kidney Week 2020 annual meeting content including posters.

Abstract submission is **not** required to attend this forum. However, space is limited and registration will be first come, first served.

Selected abstracts will be eligible for Young Investigator Abstract Awards

HOW TO SUBMIT:

- Submit abstract at earlycareerkidney.org : Free!
- Register for **Basic Research Forum** Early Program at asn-online.org/KidneyWeek
 - Registration Opens: August 5th - Registration Fee: \$25
- You will be notified if you have been selected for an oral presentation by early September
